

Thank you to those of you who signed up last month. I am asking all who can to sign up.. I will never ask anyone to table alone, unless that is your preference. I will add myself as needed, expect 2x per week. I know your schedule may change, and any of these below may change, we are all volunteers, let me know if it does.

What we do when tabling: GOTV ..Mar.10 is election day for the RTA. We are always registering voters. We have Justice For All and nominating petitions and other informational handouts. And we want to hear what voters are concerned about. Notice: we have an event 3/21, we need you! ...Betty, 520-977-2154 (text)
